Production and Trading Company UHL –MASH is one of the Ukrainian leaders in manufacturing and export of steel furniture. UHL-MASH PJSC is a regular exporter of metal furniture to CIS, Georgia, UAE, Europe, etc

We cooperate in B2B and B2C formats and there is an option of OEM production.

Company UHL-MASH has a considerable experience in cooperation with the foreign partners and participates in international projects.

Own design office gives us the opportunity to make the products under the individual parameters according to demands of customer. Warehouse program and qualified personnel can quickly ship the necessary quantities of products to the customers as soon as possible.

All furniture meets the necessary regulatory requirements that have been certified in Quality Management System ISO 9001:2009.

We invite possible partners to cooperate with us as our official distributors. We offer profitable conditions, quality products, technical and consulting support. We can provide the training course for staff and create an informative space for sharing
