

Best Cashmere LLC
Mongolian cashmere producer

Introduction

- ▶ Best Cashmere LLC is one of the most active manufacturers in Mongolian cashmere productions market today, and we have established ourselves as one of the respected companies in the field in since 2006.
- ▶ Our factory is equipped with Japanese computerized automatic knitting machine in parallel to hand machines and we process our ready to wear garment through our own complete line of knitting, sewing, washing and finishing.
- ▶ We also have our own in house design and programming team. This makes us one of only few manufacturers in Mongolia who provide full supply chain service to our customers.

- ▶ After the first years of establishment we have co-worked successfully with Mongolian large three companies on their international orders from England, Germany, Belgium and South Korea
- ▶ In parallel onboard from 2008, we are providing our own "Tugs" brand products to the market for the needs of our domestic customers. We work with an objective to deliver high quality, different types of knitwear products with a wide color range selection to our customers.
- ▶ Finally, we have completed our technology renewal and extension project in 2012 with an ambition to expand our market share, promote the direct export to our overseas buyers.
- ▶ During the last 3 years we have been working successfully with our main buyers from Japan and Belgium. We welcome any potential partners who would like to develop long term business relationship with us.

- ▶ Our human capital profile is:
 - Our management team is combined with professionals who has more than 20 years in their respective sectors.
 - We employ young professionals in the innovative fields of the factory such as programming, designing and motivates them through various types of social plans we established internally.
 - 30% of our factory workers are people with hearing disability (most of them are women). We consider this as our social responsibility and work close with them in order to support their life and to provide working place for them. We train them in our factory and after certain period training we do contract with them. Our employees are so talented young girls who make the cashmere garments by their heart.
